

**If you still  
cannot find  
what you need try...**

**All providers/facilities/organizations are listed in alphabetical order. Please note that this list may not be comprehensive.**

This directory provides a list of medical centers at which you may find a physician who provides infertility evaluations if you are unable to connect to someone listed in previous resource lists. This directory includes lists of medical schools/university hospitals which will take patients who have all forms of health insurance including Medicaid.

This directory is part of a series of lists of New York State providers (and other states where appropriate) who offer services that may be of interest to women or men hoping to bring a child into their lives. Please note that these lists are not comprehensive, nor does Infertilityeducation.org or Ferre Institute offer assurance or warranty for any of the providers listed.

We hope you find these directories useful. Please feel free to contact us with additions or edits to our list and we would be glad to review.

To find out more about NYS laws regarding insurance coverage and information about grant programs which provide funding for certain infertility treatments, please see the NYS Insurance Law Fact Sheet at [www.infertilityeducation.org/services.php](http://www.infertilityeducation.org/services.php).
