

# Sperm Banks

**All providers/facilities/organizations are listed in alphabetical order. Please note that this list may not be comprehensive.**

For couples seeking a sperm donor, a sperm bank is a necessary resource. Many sperm banks will provide donors to couples all over the country and thus the bank does not need to be located in the client's community. Donor profiles are available to clients for review, and donors typically undergo health screening prior to being accepted as a donor.

This directory is part of a series of lists of New York State providers (and other states where appropriate) who offer services that may be of interest to women or men hoping to bring a child into their lives. Please note that these lists are not comprehensive, nor does Infertilityeducation.org or Ferre Institute offer assurance or warranty for any of the providers listed.

We hope you find these directories useful. Please feel free to contact us with additions or edits to our list and we would be glad to review.

To find out more about NYS laws regarding insurance coverage and information about grant programs which provide funding for certain infertility treatments, please see the NYS Insurance Law Fact Sheet at [www.infertilityeducation.org/services.php](http://www.infertilityeducation.org/services.php).
